For: Returning Campers Registering for the 2012 Summer

Dear Camp Onas Parent,

It is time to register for the 2012 summer. We hope Camp Onas is part of your child's summer plans. Use the **Registration Form for Returning Campers and Siblings** to register your child and a sibling. There is a \$35 discount per session/camper if the form and deposit are returned by 12/15/11. If you register by 1/15/11, we can guarantee your session of choice. After that date, we open registration up to new campers.

Here's how it works:

1. Register using the **Registration Form for Returning Campers and Siblings**.
2. Indicate the session(s) you want. If registering after 1/15/12, please include a second choice.
3. Read the Registration Policy.
4. Mail the registration and the \$250 per session deposit to Camp Onas.

We are excited to again offer one week sessions for 7, 8, & 9 year old campers. These sessions are designed to give younger campers a full camp experience in just one week and will run twice this summer. First Session Week is June 24-July 1, and Third Session Week is July 22-July 29. Call Camp for more details.

We have done everything we can to keep our fees down understanding that many continue to experience economic and employment difficulties. The 2012 fees are only 6% over the 2011 rates, necessary because of increased expenses and planned facility upgrades.

However, there is a way to save: include a brand new camper registration with your camper's registration. You will get a \$30 referral discount and we will register them at the same time. Also, if a new camper puts your family name under "Recommended by" on the brochure registration form and registers at a later date, we will apply the discount to you. Download brochures for friends and help Onas find new campers and help yourself to a \$30 discount for every camper referral.

Please consider including a contribution or pledge to the Camper Aid Fund. Last summer, we helped 35 campers attend Camp Onas thanks to generous giving. Contributions in any amount will be greatly appreciated, so if you can give, please consider helping us raise the \$22,000 we will need. Contributions can be included with payments on the same check and are tax-deductible.

Onas greetings,
Sue Neiger Gould, Director
