Winter Camp!

No longer do you have to wait until summer to see your friends and enjoy all that Camp Onas has to offer. Camp Onas is pleased to host a special one week Winter Camp session from February 19th–24th.

Program

Winter Camp will operate the same way the Summer Camp does with free choice activities, group meals, fun with friends during free time and evening activities.

Attendance

Camp Onas understands that many people make some plans over this week, so campers can attend Winter Camp as a day or sleepover camper. You may come for specific days/nights during the week or stay for the entire time. Campers new to Onas are welcome so feel free to bring a friend!

Activities

A new schedule will be made for each day and campers choose their own activities. Almost all of the activities we do during the summer can be done in the winter as well as all new winter activities:

- | | |
|-----------------|---------------|
| Arts and Crafts | Drama Games |
| Sports | Archery |
| Winter Games | Rock Climbing |
| Cooking | Talent Show |

Facilities

With all of our indoor facilities Winter Camp has just as much to offer as Summer Camp. With the game room, indoor climbing walls, the theater and plenty of dorm style sleeping areas the fun times will be endless.

Staff

Our staff is selected from the same great counselors that work for camp during the summer. They are chosen for their maturity, ability to work with children, and specialized training in CPR, rock climbing, first aid and archery instruction.
